FLASH STUDIOS COVID-19 PROTOCOL

- Flash Studios are sprayed by SABS approved disinfectant and all surfaces and handles will be wiped down prior to team arrival
- All entrants must enter with a mask. We have disposable masks available if necessary
- Each entrant will be thermometer screened. Anyone with a temperature above 37.3 degrees will be refused entry
- Each entrant must complete the attendance register and indemnity form upon entering the premises
- A maximum of 12 at people at any one time will be allowed into Flash Studios
- We encourage teams to stagger the arrival of each crew member according to necessity
- Each studio will have a dedicated entrance / exit area with no cross sharing of common areas
- Kitchen areas to be kept to a maximum of two people
- Two studios can be booked to split the team according to numbers and shoot job descriptions
- A link between studios will be supplied whereby the client / producer can view the shoot via live feed to a monitor setup
- Instructions can be relayed between two studios via Motorola 2-way radios to minimize contact
- All catering to be supplied in sealed boxed containers with utensils in sealed plastic wrapping
- No cutlery/crockery/glasses will be supplied by the studio
- Nespresso coffee stations to be used by one crew member at a time
- Each studio will have a 70% alcohol disinfectant gel pump allocated
- The use of air conditioners is discouraged. Flash Studios has industrial gas heaters and fans available for temperature control
- Ventilation is available with each studio having access to open windows / doors which all have security measures in place
